

## Harry H. Zwick

January 26, 1944 - November 5, 2015

### HARRY H. "SMILEY" ZWICK

heard the Lord call for him the evening of November 5, 2015 at the Chateau Terrebonne nursing home in Houma. Harry had resided in Franklinton, Louisiana since Hurricane Katrina. He was born to Ray E. and Ruth B. Zwick on January 26, 1944 in Deer Park, Washington. He attended college at Gonzaga in Washington and also resided in Libby, Montana. During his career, Harry worked at Lockheed Shipbuilders and Boeing Shipbuilders in Seattle, Washington. In 1967, he relocated to Buras, Louisiana where he worked and later opened his welding company Crown Z Welding/Smiley's Welding. While residing in Buras, Harry was a Captain of the Buras Volunteer Fire Department. He was also a private airplane pilot and he enjoyed flying his plane as much as anything.

Harry was devoted to his family and loved helping people in need, always taking pride in his work and accomplishments. He had a great love for the Lord, his family, nature, animals and country music. He was a member of the Church of Jesus Christ of Latter Day Saints since 1960 and cared deeply for his many friends. If Harry could ask for anything it would be to learn more about Parkinson's disease. He will always be loved and missed.
