“ Dear Family, you can never know the love & appreciation that I will always have for Mrs. Helen. She was one of a kind, but we hit it off long ago when I worked at Family Medical Clinic & we formed a lasting bond between us. I'll always cherish those memories & please know that you're in my prayers.

“ She was first my first hire for forty years. She was loyal, kind, dedicated and tough. She had an incredible memory. Up until recently, I called her if I needed to connect a name and a face. The Japanese fruitcake will be missed.
