“ I'm going to miss seeing him at random times! He always made me smile and told me it was a beautiful smile and that my daddy loved me!

Going to miss you uncle Jr!

My heart is with our family, as another loved has went home!

AN

I first met Henry in my early 20s. Met him again 20+ years later. I got to know him pretty well the second time. He helped me with odd jobs from time to time. The last time I saw him was in November. He seemed like he was doing OK. I never would have suspected that he had less than two months left to live. His life was not easy, but Henry was always friendly and cheerful. He prided his honesty. He was a good guy.
