HENRY THADDEUS LIRETTE, SR., AGE 96

And a resident of the Pine Community passed away Monday October 21, 2024 at his home after a lengthy illness. He was a native and longtime resident of Bayou Blue near Houma, Louisiana that had lived in Washington Parish for the last 34 years. Henry was a United States Army veteran, having served in the latter part of World War II and into the Korean War era. He worked as a butcher for a time before working construction jobs with McDermott International and later retiring after a 20 year career. Henry was an avid gardener, planting a huge vegetable garden each year and then sharing them all with family, neighbors and friends. He worked for many years at Kennedy's Christmas Tree Farm, near his home, driving excited customers around the property on the tractor and trailer looking for the perfect tree. Henry was always a loving and caring husband and father who was honored to provide for the needs of his large family. He was an instant friend to all the people he met and left a lasting impression on so many.
