“ Aunt Francine, Timmy, Sheila, Suzie, and families: We were so sorry to hear about Uncle Herbert passing away. He will be greatly missed by all. I know I will remember him joking around and teasing us all the time as kids. He will always be in our hearts and know that God has him securely in His arms now. He is with loved ones who have gone before and he will be watching over each of you. Dwell on all the good times you've shared together and you will always have him with you.

Mom (Aunt Eloise) sends her love and condolences as well.

Unfortunately, we will not be able to attend the services because Mom just doesn't do well on trips that long. She really wants to go but knows it will be too hard on her own health.

We love you and our thoughts and prayers are with you. God Bless!
