“ Dear Family, It saddened me so to see Herman's obituary in yesterday's paper. Our "old family" members that are no longer with us are sadly missed. I know that Herman is presently with the Lord, praising and worshipping Him with all of our other loved ones that trusted Jesus as their Savior. I also know he will be greatly missed by his family. He showed what it means to truly be a Christian. My prayers and sympathy go out to all of you. Love, Maxine

“ Hello, Melba and children, we are sorry for your loss and know that he will be missed by all. Myra and I and will be unable to attend Herman's Services. We missed you and Herman at the NOPSI party in N.O. East last spring and did not know he was ill. I spoke to James Lemoine and Robert Bradford today and they were shocked to hear of Herman's passing. We all spent nearly 35 years working together in NOPSI'S Electric Metering Department in New Orleans. We were all young together and most of us had just been released from the Military before joining NOPSI. Those were great days. Herman and all of his family will be in our prayers.
