“ Jan, Just today we were looking up the obituaries to find out about the arrangements for Ed Deas, and to our surprise and dismay we saw your mother's name listed there. We are so sorry that we did not learn of Mrs. Sones' passing until just now. No one had told us, and we regret not knowing sooner. You and your family are in our thoughts. David & Anita Wood

“ Jan and Nancy so sorry I didn't hear about your mother's passing until too late to go to the wake and funeral. Your mother was a very special lady and I considered her a very good friend. I always think of her when I make corn bread pan cakes. She taught me how to make them. I feel very close to your family.
