“ Mr. Houston was a great person and will be missed by all. I was so surprised to see him at Kyle's wake. It had been years since I had seen him. He and I had a good talk. Kyle and I visited many times with he and Mrs. Lucy. Their house was a place we didn't have to worry about taking the kids to. They didn't care what they got into or how much noise they made. There was always a dessert there, too. I will keep you in my thoughts and prayers.
