“ *There are no words. She was one of the greatest people I have ever known. Tough, wise, funny (in a sarcastic way) and very loyal. She stayed with my sister and I a lot when I was growing up in Denton, TX. My parents traveled for business and she was like a third grandmother. To say she we will be missed is an understatement. She had a major impact on my life. We will always miss and love Ms. Sullivan. -Taylor Hampton*
