“ *I am so sorry to read Mrs. Inge passed. I am grateful that Paul and I had the opportunity to visit her one last time a few weeks ago. She was a precious family friend who I've kept in touch with all my life, and I will miss her dearly. We always had so much to talk about, and she especially enjoyed hearing about travels and family. God Bless and keep her close.*

“ *Sarah, I am saddened to read of the passing of your dear mother. Never, is anyone prepared to allow a parent to die. Ninety three years of life on earth is a wonderful testament to her strength and love of life. May those thoughts and the memories you have sustain you during the grieving process. You and your family will be in my prayers as I send my sincere condolences.*

“ So sorry to hear of Miss Inge's passing. I have many fond memories of her stretching from our days in the "village" through my continuing friendship with Erika at LSU and rugby. She seemed frail, but once you knew her, you realized how strong she was. My love and best wished to all of the family - Suzie Lee
