*I am so sorry for the loss of your dear father ... and .... your dear mother, not long ago. God is sure challenging you. He is preparing you ... we never quite know why or for what. But, I promise! He's got a plan here. I am a younger school mate of your dad's, but saw him at the Fair last year...am sooo glad I did. You are in my prayers, and will stay there for a long while.*

“ Doctor Creel told his students if they wanted a job and were willing to learn, he would teach them. He taught well and those that graduated got jobs. He came to visit me and Jeff Varnado once in Nashville at our jobs at the Service Merchandise data center. Doc always told us that he was proud of his students. He will be missed by many.
