“ I am so sorry for your loss. I had worked at Parish National Bank before I retired and that is where I got to know Mr. Muhs. He always had a smile for everyone and let me know how his vacation was in Colorado. If I remember correctly, he usually took the train when he went "home". I saw him a lot when I voted and we always had a good conversation. I didn't get to see him much after he quit working the polling booth and I missed seeing him there.

“ Ms. Juanita, I was saddened to hear of "Pop's" death. Our entire family loves you and your family so much, and for so long. Please know that I am just a phone call away if there is anything I can do. Please tell your "kids" that I said hello, especially Dusty, to whom I was so close and haven't seen in years. Take care now.
