“ *I am so sorry for your loss. Mr. Foil impacted my life in a great way during my early twenties when he taught me at vo-tech. He was a great man who I will never forget. Each time I saw him I was greeted with a smile and a hug. He always ask about what was going on in my life and then took a few minutes to talk about his boys. He loved you guys so much and was very proud of you - and it showed. I wanted to come for visitation but was unable to be there. Please know that you all are in my thoughts and prayers. God bless you!*

“ My heart broke into a million pieces when I woke up this morning and learned of his passing. I just sat there and cried my eyes out. Mr. Jack was a great guy, I wish he wasn't gone so soon! He would always come in Subway in Franklinton and he was the most friendly guy I've ever seen in my life. You will be forever Loved and Missed.
