“ Dear Brenda: We have never met, but as a child I was a good friend of Jack's sister Judy. During those formative years of life, 808 Greymont Dr. was my 2nd home and Jack seemed like a big brother. Years resulted in loss connections & life took us on different paths, but in my heart the Percy Quin Family has always been close and important. I was saddened to hear of Jack's death. He was a wonderful person and I am so sorry for your loss. Please know that you, Mrs. Sue and Judy are in my prayers. I am so sorry. May God help carry you in the dark days ahead. “ I am so very sorry to learn of Jack's death. Jack and I were childhood friends in Columbia. We were members of the high school band and then several rock-n-roll bands afterward. Though time and the years have separated us I still treasure with great joy many memorable times spent together. Please know that in some small measure we share your loss and will be praying for you.
