“ I was a friend and a business associates with Jimmy for over 30 years. I have never met a finer man anywhere. Jimmy had character, integrity, honesty and always did the right thing. I will miss him very much. I love hot food and hot sauce. One time I told Jimmy that I had never had a pepper or sauce that was hot enough for me. Well, you know Jimmy, he had to prove me wrong. He made me some hot sauce from peppers he had grown. I have to admit that it was the hottest stuff I have ever tasted. It almost blistered my lips and tongue! Jimmy proved me wrong and laughed his Ass off when I told him. Unfortunately, men like Jimmy don't come around often. I am proud to have known him and to have had the honor of calling him my friend. My condolences to his family. I know you will miss him. But, please know this; Jimmy enriched the life of everyone that had the privilege of meeting him. So, from Steve Cope, Ron Moreau, Wess Jenkins, Roy Jenkins Kyle Kirkpatrick and all your friends at IEC, we will miss you and we know that we will see you again some day. Have some hot sauce ready when I get there.
