“ I remember working with James as a transportation scheduler. He was a very kind man and hardly ever turned down a job for me. God Bless him always.

“ It has been my honor to have been a co-worker and friend of Jim Larsen. Jim loved his family and was proud of them. I will never forget his compassion for many of our frail patients that he helped over the years. Jim was unfailingly honest, caring and will be missed by all that knew and loved him. We are praying for healing comfort for those loved ones he had to leave behind for a while. Until we meet again, may God hold you in the hollow of his hand.

“ Dear Melinda and family, Jim was my youngest brother, being 16 years my junior. Even though we were not close in age we had many good times. Always a lot of laughs and kidding around. We were separated by many miles but that did not mean that we were not close. I will miss him dearly.
