“ Teckla, Pam and Tanya, I am sorry I couldn't be there with you during one of the most difficult times of your lives. Please know that I loved Uncle James and will remember the times he has called me on my birthday since Aunt Net couldn't and I would call him on Aunt Net's birthday to let him know I haven't forgotten her. It was truly special when he did this and I will never forget his kindness. It always brought a smile to my face hearing his voice. And he always said to me, " you thought I forgot didn't you". Although he never did. Please call me anytime if you need me. (Aunt Shirley has my cell number) Take care and I love you all. Barbara
