“ I can honestly say that in all of my life, I never met a better man than James (PA) Reeves. He lived the life that he believed in. And during all the time I knew him, he was always cordial and friendly.

“ Brother Jack has been a true friend since I was a young boy. I can remember going house-to-house in the ministry with him on many occasions. He was always the very first to arrive at the Kingdom Hall and the first to leave. I will miss our phone conversations over the years. Looking forward to seeing him again in the resurrection. Love, Carl Rieger, Jr.
