“ Aunt Alice, Donna, Karen, Tina, and your families, I am so sorry for your loss. It was a shock to all of us. I wish I had the power to take all of your pain and grief you all are feeling now. I Thank God that Uncle James was there for us when I lost my father. I don't think I could have made it through such a difficult time if it were not for his presence, as he stepped up for me every time he was needed. I know he worried so much about my mother. Today I felt I lost another father in a way. I could never thank him and Aunt Alice for being there for my mother enough. Just remember what doesn't kill us will make us stronger. We decided heaven needed another joker and god only takes the best. If there is anything any of you need and I can help just say the word. I love you'll very much. You are in my heart and prayers.  
Love Debbie

“ I am so sorry for your loss. I'm the oldest daughter of Joy & Andrew Sharp. The times I've seen you, Mr Jim was always smiling & trying to crack jokes with mom. You were both so wonderful to her during her health crisis last year. And I could see there was deep love between you 2. Once again, I am so sorry for your loss. My thoughts & prayers will be with you & your family. Liz & Don Cheek

“ Uncle James...I will never forget the ALL the times you made us laugh. No matter what mood we were in you always brought a smile to our faces. I just wish I had the chance to say "Thank you" for all the times you were there for my grandmaw (Ruth). I know she's taking this hard. In fact, we all are.

My mom (Debbie) called you her "Favorite Uncle" because you were. I know Uncle Jr. will miss you too. I know you're in a better place but you will always be in my heart. I know one day we'll all meet again. Until then, Ill look after maw maw. I always do. I know you and paw paw are up there making jokes with each other just like old times. My heart goes out to Aunt Alice and your daughters, I understand the pain you all are going through.

I just didn't expect this...It hit me like a ton of bricks. Im still having a hard time believing my Uncle "Ike" is no longer with me. I know you'll always be looking down on me smiling (and probably laughing at dumb things I do or say just like you use to).

Until we meet again Unc...RIP and tell paw paw and Jade I love them and miss them. Ill never forget you. Love you!

“ Jimmy was a great guy and I was saddened to hear of his passing. I worked with him for several yrs at Naval support. Jimmy took time and would teach me anything I asked about in working on the vehicles. He pretty much took me under his wing, he always brought in the best homemade hogshead cheese his wife would make. I was proud to call him my friend. My prayers are with his family, and I'm so sorry for your loss. Drew Adams
