“ I was a brand new baby nurse when I started working at Our Lady of the Angels Hospital in 2015. I was fortunate enough to be placed on her night shift. She was my Charge nurse until she retired. She taught me so much, not just nursing tricks & things work related, she would share any knowledge she had, if you asked. You could always count on Jan to give you an honest opinion and gently remind you to pray about anything causing you discontent. Jan had the patience of a Saint. In all the years I worked with her, I only saw her get mad once or twice. She will be sorely missed by all that we're fortunate enough to know her. Sending prayers for comfort & peace to Rene, Sierah, Mrs Linda & all of the family & friends. RIP Jan, Love ya girl!! Enjoy those streets of gold!! Until we meet again.
