“ My condolences to the family. We knew Jamie, Len Reid and Jim as children. We lived on the Detrie farm. Every summer they came to visit the Detries. We couldn't wait for them to arrive. We spent many hours. Splashing in the cow tank, tap dancing and performing “plays” on the flat hay wagon with a sheet strung across for the curtain. Many fond memories.  
With kind regards to all,

“ I am so very sad to hear of Jane's passing. She was one of my roommates in college. She surprised me when she came by one afternoon several months ago for an afternoon visit. I was so glad to see her! We had a great time "catching up" and reminiscing. Len Reid, I am so sorry.

“ To Jane Marie's family and friends in Franklinton and elsewhere, please accept my sincere sympathy. She was a talented and fun-loving person who brightened up any conversation. Mary Bruce and I enjoyed sitting with her and catching up at our class reunion in 2014.
