“ You had a special place in my heart you and I would always be together. I was your shadow.. you have always been there for me when I needed a hug or a shoulder to cry on when I was going through difficult times and you never cease to amaze me how wonderful you were to me and Shane. Took in a child completely like it was nothing. And help me steer him into the young smart young gentleman he is today and I have you to thank for that because I had no clue what to do. But baby, I'm here with your mom and dad and brother still still a strong family and I will always be here for them no matter the circumstances. They took Shane and I in just like you did and I see where you get it from!! I can't help but cry knowing your telling me chill out I'm okay I just miss you much we'll just keep me tucked in ur pocket for rainy days you will never leave my heart!!! Time for to rest now.. I'll see you Sunday! Love you always Jason! 🍷 ur hunny Kasey!!
