And a resident of Franklinton died Wednesday morning August 28, 2019. She was born September 16, 1966 in Pascagoula, MS. Jeanne was a 1984 graduate of Pascagoula High School and later obtained her Bachelor's Degree in Elementary Education from William Carey University. She taught at schools in the Leaf, MS area for several years, and always considered the people of that community as her extended family. The family moved to Franklinton where she began teaching kindergarten at Enon Elementary School. She always enjoyed the young students she had the opportunity to teach each year and she cared deeply for her many co-workers, who were like family. “ *Jeanne was one of the first people to talk to me at Eastlawn Elementary. I was a new kid, in a new school and had a funny last name but she made me feel welcome and not an outsider. She is an amazing person who was taken too soon. She will be missed and forever loved by those who knew her. Her family are in my prayers.* ”

“ It is an understatement to say that JEANNE loves children! We always joked (lovingly) saying that she was such a good kindergarten teacher because she never really matured passed the age of 5. My son Gabe was always in trouble for having a messy room so, one day she decided to come over and help him clean it up, as she was always doing something to help others. I was in and out doing other things. When I came back to check on them, she was sitting on the bed with one of his guitar hero guitars pretending to jam out with him! Busted! She has always been such a special person who knew how to have a good time and have a positive attitude regardless of circumstance.
