“ *To the family of a great man,  
The legacy of Jeff Lewis will live on for years to come through you all and the many people he touched. My challenge to you is to lift your hearts to God and let God fill that empty space. Then, as you walk through the rest of your life; share your Dad's legacy with everyone you touch by following in his Godly, and wise, footsteps. Thank you God for this great man.*

“ We shall always remember Jeff for his kindness and love that he gave everyone. The earliest memories of Jeff is when we went on a canoe trip down the river with cousins. I was 18. We all had a great day. May the angels be at his side in heaven.?We love and will miss you, Jeff.?”

“ I had the pleasure of meeting Jeff & Kim almost 27yrs ago...I can honestly say that they are truly wonderful people. All the times I have spent with them, never have I seen Jeff without a smile on his face. He was always pleasant & a joy to be around & always welcomed you into his home. One thing was for sure, Jeff loved his family, especially his kids, whom he would always have lots to fill you in on as to what was going on in their lives. He loved being a Grandpa, that was very clear to all, because his face would light up when he talked about his babies! Jeff was a wonderful man who will truly be missed! My condolences to his family!”
