“ I would like to share some memories: when my husband and children moved to Franklin ton from Drs Moines Ia, it was sort of a huge culture change. We moved to the cute little house next door. Janell and JC took us under their wing! They were so friendly and Southern!.. at that time they had a garden . When my parents visited, they got along famously Janell taught me how to cook Cajun and we visited each other often . Our children picked her muscadine and blueberries for her! We all had a great time! Heavenly blessings to Miss Janell and JC. I wish I could have gotten down there one more time. I love you like my second Mom! I will see you again sweet lady. ❤️
