

Jennie Warren

June 20, 1935 - August 4, 2025

JENNIE WARREN, AGE 90

And a resident of Hammond passed away Monday morning August 4, 2025. She was a former longtime resident of the Clifton Community, where she was a member of Clifton Baptist Church. Jennie sang in the church choir for many years, taught Sunday School and served on the hospitality committee helping host countless meals and gatherings for her church family. Jennie worked at Simmons clothing store in Franklinton for a time and prior to that served as a physical therapy assistant for many years. She was a caregiver at heart, and even during her last years provided massage and therapy to her friends and other residents at The Phoenix, her assisted living facility in Hammond. Jennie also did floral arranging at Winn-Dixie for a little while and made pretty artificial floral arrangements at her home. She always kept her hands busy, even as a hobby, doing quilting and embroidery. Jennie loved the Washington Parish Free Fair and often entered her arrangements in the Flower Building and quilts in the Homemaker's Building. She also loved volunteering at Mile Branch Settlement each year and was honored once during the Ladies Promenade. Jennie loved traveling to the beach and had taken numerous church trips to areas throughout the country. Probably her most favorite trip was to Israel with her sister, where they visited Bethlehem, Jerusalem and other historical sites. Jennie was an active member of the Red Hat Society for many years and loved visiting and traveling with her friends. She was forever

a loving wife, mother and grandmother.

“ Jennie and I go back to 1959. She and Joe were longtime friends of my husband, Tommy. Jennie was a gift from God, a most precious person. We tried getting together once a month for tea; and spent the time sharing our joys and at times our worries, always with a short time of prayer. Jennie was the one that had a desire to do something for the people at Nursing home. So, she got two other friends to join us once a month for music and a devotional led by whoever wanted. We had a beautiful pianist. All the residents joined in. I never saw people so hungry for one hour of calling out their favorite Hymn. After that time, we would each listen to their needs and close with prayer. They would be so thankful, but we felt blessed even more. I could go on and on but will just end by saying, “Thank you Lord for bringing Jennie into my life!” We loved each other so much! Until we meet again Sweet Jennie, missing you greatly.
