“ Ms. Jerry was the kindest person I've ever known. I never heard her utter an unkind word about anyone or anything. She inspired me to be more like her each time we talked. I never visited Franklinton without going by to see Ms. Jerry. I spent so many hours at her house after school practicing for different events. Her days never ended at 3 pm. She gave from her heart and with a song in her heart. I will miss her being present in my life, but she will never leave me--she is in my heart and in my soul and in my whole being. I am so very thankful that I was blessed with knowing her and knowing that she loved me back. Thank you, Mr. Carl, Marsha, and Carla, for sharing your mother with all of us. I pray that you will be comforted knowing how much she was loved and with all the wonderful memories of her. Her service was so beautiful and I felt her presence with us as we sang for her. God Bless you and your families.

“Mrs. Jerry was an incredible role model and bigger than life when I was a little girl. She was everywhere, at school, at church and all over the community, spreading her magic and lifting us up. All of us. I couldn't carry a tune, but somehow she found a way to weave me (and others like me) into the choir to add our part and make us feel good about it. I know she had an amazing impact on so very many. Heaven is so fortunate to have such a talented angel joining them. Peace and comfort to Carla, Marsha and Mr. Dick.

“We love Music for the buried hopes, the garnered memories, the tender feelings it can summon at a touch.” (Samuel Rogers)

*Miss Gayer gave us songs. For me that began when I was in Enon Elementary School and continued at Franklinton High School, Girls who had never seen an octavo were soon singing in three-part harmony, wearing billowy evening gowns for concerts, and attending festivals at Southeastern where judges critiqued our performance.*

*The impact Mrs. Dick had on my life was such that I chose Music Education as my own profession. What a blessing and inspiration she has been to her students! What lovely, fragrant memories I have of her, the always gracious, kind, and encouraging Christian lady!*

“ Mrs Jerry, an absolute matriarch of our entire community, and especially our church family, the epitome of the word "lady" and a precious treasure to all of us. She will be sorely missed, but I can only imagine the beautiful heavenly homecoming! The loving embrace of our Lord and Savior, Mrs Jerry arm in arm with Jesus. It's what she lived for and it showed in everything she did. My prayers are for her wonderful loving family in the days ahead.

“Febary twenty-tooth, Two Oh Won Nine.

*My thoughts go back about 63 year.*

*I was a Second Grader at Frankleton Grammar School.*

*I was busy in my desk when the Lady came in.*

*She began what would awaken within me a Love and a Need for Music!!*

*She brought “toys” that caught my interest.*

*These were blocks, sticks, triangles, cymbals, bells, and whistles.*

*One day, I was the only kid to have a cap on in class. She noticed!!*

*Our eyes met as she approached. “Mr. Fisher, you are inside. You must remove*

*your cap.” Now, the night before, I had attempted to cut my hair...*

*Failure!!*

*She allowed me to put my cap back on.*

*She had the patience of Job. I caved after awhile.*

*Of all my Teachers, she controlled me the best!!*

*After all, she taught me how to sing with an “inside voice” and make Peanut Butter and Banana Sandwiches!!*

*Years later, she would help me with “Church Singing”. She was always ready with the perfect answer to every question I would have.*

*Favorite Song: The “Lord Bless You and Keep You” (with 7-fold Amen) by far!!*

*Whether a member of a Choir or Leading one, I Always applied those lessons*

*learned from the Master!!*

“ I truly loved Miss Jerry. She was such an example of a Godly woman. She had a way of getting people to do things. One story I love to tell about her is that when Jason was a teenager she needed someone to play the trumpet in a special program at church. She came to me and asked if Jason would do it. I said, “I don't think so Miss Jerry he is in that teenage phase but maybe if you ask him.” Well... she didn't ask him she told him and he readily agreed. Only Miss Jerry could accomplish such a task against a willful teen. Miss Jerry will forever be in our sweet memories. May God bless you, her family, as you mourn this great lady. You are in my thoughts and prayers.

“ I loved Miss Jerry from the first moment I met her. She had such a positive influence on my life. I loved the choral festivals where our ensembles always received superior ratings! Girls chorus and mixed chorus didn't seem like classes because Miss Jerry made them so much fun. I was always honored when Miss Jerry chose me for a part in an ensemble, play, or musical. She had confidence in me that I didn't have in myself. She pushed me to see that God gave me a gift. I thoroughly enjoyed singing for her in Revelation Singers and Youth Choir even though I was a member at Enon. Miss Jerry was such a perfectionist that it made it difficult to sing for a director that didn't strive for perfection! Today, I still hear Miss Jerry's voice in my head telling me how to pronounce certain words so they don't go flat or sharp! I hear Bible verses that remind me of songs we sang in high school! Of course my favorite memories with Miss Jerry were the variety shows and musicals. South Pacific was my favorite. She let me be "Bloody Mary" even though I had been sick with the flu and could barely sing! I will definitely miss her! I'm praying for Mr. Carl, Carla, and Marsha! Thank you for sharing your sweet wife and mother with the entire parish!
