“ *Pam, Cheryl, and David,  
You know I have always loved your Dad. He is a great person. He is probably the most kind hearted person I have ever met. I've always had the utmost respect for him. He will be sadly missed. I am so glad that you all thought enough of me to contact my family to notify me of his passing. For that I thank you. I am truly sorry for your loss. Having lost my Dad four years ago I know exactly where you all are and I also know that there is nothing I can say to any of you that would make you feel better. Take care of each other and love each other. Your Dad would have wanted that.  
God Bless you all.*
