“ I cannot begin to share all of the memories I have of Uncle Jimmy. I always thought I was his "favorite" niece until it was brought to my attention that he told ALL of his nieces the same thing. Lol. If you knew him, you didn't forget him, as he was an unforgettable character!! The last few years have been tough on him medically, but he was always a fighter and he fought very hard to the end. The last words he spoke to me just a few days before his passing were ironically the exact same words my dad (Denman) said to me just 2 days before he passed. Those words...I love you, Darling! I will cherish that memory forever. RIP, Uncle Jimmy! I love you!
