“ We were so sorry to hear of your loss. Our prayers are with you.

*Birth is a beginning and death a destination And life is a journey:
From childhood to maturity and youth to age; From innocence to
awareness and ignorance to knowing; From foolishness to
deseccration and then perhaps to wisdom. From weakness to
strength or from strength to weakness and often back again; From
health to sickness and we pray to health again. From offense to
forgiveness from loneliness to love from joy to gratitude from pain to
compassion from grief to understanding from fear to faith. From
defeat to defeat to defeat until looking backwards or ahead We see
that victory lies not at some high point along the way but in having
made the journey step by step a sacred pilgrimage. Birth is a
beginning and death a destination And life is a journey; A sacred
journey to life everlasting*
