“ This is a sad day in our lives for Brad and I! We took Hippie into our hearts and into our life, we truly loved him! Hippie loved the river, every aspect of it; fishing, eating, hanging out with friends and even bathing in it! It's a place where we all met up at the end of a long hard week. We've laughed, joked,and smiled many, many memories with him at our camp on the river, He is a part of us! He showed me and Brad lots of love and it was an honor to be a part of his life, he will be greatly missed!
