Tribute Wall

“ Jody, man I love you to the moon and back. I'll always think of you, just little things trigger a memory and I will forever miss you. You know you wasn't supposed to leave me, not yet anyway. We were thick as thieves since childhood. I was always proud to tell anyone that you were my brother. Let daddy and Cheree know that I love and miss them too!!! I hope that Heaven has a smoking section brother, I love you...
