We will miss Joel. People used to scold me for not calling him "Uncle" but he wasn't that much older than me! After Momma died, Joel made a special effort to stay in touch with me. He and I both knew that I was a poor substitute for Momma but our relationship grew in spite of that fact. While I mourn his absence from this life, I rejoice in the sure knowledge that we will walk and talk together again in the presence of our loving heavenly Father and all of those saved by His grace.

“ So sad to hear of a dear friend and former classmate's loss. I have a lot of great memories of Joel in school, many of those playing together at recess time and being a part of the inaugural football team, all in all a great 12 years spent together.
