“ I knew John Earnest since he was 5 years old and all his brothers and sisters very well . Albert (Toot) and I were like brothers. I met John daughter she was my wife nurse at the Coverston Hospital about a year ago. And she told me John Earnest was her Dad. When I got home that evening John called me and we talked for a very long time about his family, and when they lived in Home Place La. and his mother and father and all his brothers and sisters. I am so glad that I have those memories of our conversation.

May GOD Bless you all that Loved and knew him.

“ *John was never one to complain about himself
We my husband and I have ran upon him at the grocery store
stopped to visit a bit always wanting to know how our boys were
doing Fine of coarse we asked how you doing and his family were
doing he always said to ole Rus I am doing just fine but let me tell
you a little bit about my children. So PROUD of all of his kids and
then grandchildren can along nothing like them with a twinkle in his
eyes.*

*John will be sadly missed by our family. Will keep you each in our
thoughts and prayers.*

*Keep your forever one , daddy and pawpaw smiling in your HEART
and your memories are only a smile away.*
