“ Donna, Bill, Nancy, Pat, & Paul, Family,  
I'm saddened to hear of John's passing. I can think of the good times I had with John when I would go to the Experiment Station to ride horses, and do many other fun things. John and I were friends in high school. We played three years of football together, and had many classes together, and hung around each other, alot. We also went to several band camps together. I lost touch with him after high school, but saw him at our ten year class reunion.  
I will keep you all in prayer.

“ Although I hadn't seen John since we graduated, I have known him since we were three years old. I remember he and Add II and I playing in nursery class a long long time ago.
