“ *My hearts is with the families and friends of John Wayne Knight. I went to Wyandotte Elementary School in Baton Rouge, La. A boy named John Wayne Knight was in my class as well as a boy named Norman. I remember John having a sister named, Shirley. If you are family of the John I went to school with, I have a Third Grade Class Picture 1961 with Mrs. Huddleson the teacher. I would be happy to send you a copy. E-mail me. I have family in Franklinton and Denham Springs. God loves you.*

“ Uncle wayne will be missed by all of us but instead of the sorrow we feel we still have to hold on to memories all have our own special ones I choose to think that any time shared with Uncle Wayne was a treasured memory.I am glad that he was here to see all of our children and most specially "lil" Adam,the mircle that we all got to share with Aunt Shirley & Uncle Danny.The river will never be the same,who is gonna sleep in hammock under the tree? Who will cook breakfast on the coleman stove?Better yet who is gonna eat it!Life feels a little less vibrant today than it did yesterday,but we must all live today to the fullest for tomorrow may never come.My love for Uncle Wayne is still as it always was & always will be! You will be missed by all of us.Always remembering you and the great times we shared.I love you! Doody
