“ We were truly blessed to have grown up with Johnny as part of our clic. There are too many found memories to mention. Our Spring Breaks were a time that will never be forgotten! Every weekend w/the same girls & guys we were a force to be reckoned with. We were a crazy bunch. Out of years of spending every weekend with our crew there is no NE time that we didn't laugh and have fun. Even when we crammed 11 people in one MOTEL room! Woods was one of a kind, his meories and all of the fun we shared will always remain in our hearts! I had a hard time writing this. Our click were friends to the end. Years could by & We could pick up like we spoke yesterday. “ Michelle and Ashlyn, I can't imagine what you are going through right now. John was universally loved, and will be missed by many, many people who want to reach out and offer their support to you and the rest of John's family. John helped so many of us - we would like to show our gratitude for the man you shared with us at Woodward (more sharing than was really fair to either of you).

“ To The Family, I've had the pleasure of working with John for the last 9 years and I'm simply heartbroken over his passing. It was always a joy to see him because he always had a smile on his face. John was such a character it was impossible not to hear constant laughter when he was in the buliding. John was part of our Woodward Family and losing him has left a void in our lives. He will forever be loved and missed dearly. Family, please remember that earth has no sorrow that heaven can't heal. I know I will forever cherish the memories of my friend and I will continue to keep you in my prayers. God Bless.
