“ Tracy and John, thank you for allowing me to care for your mother, over the past couple of months. Though I never heard her speak a word, the looks she could give spoke volumes! I will forever cherish the connection we shared and because of her, I am a better nurse today. She was extremely blessed to have y'all, to care for her. Praying for peace and comfort in the days ahead.

“ I only knew Mrs Jolene, for a little over a week. I was her caregiver and the time I spent with her she had a place in my heart. She was so sweet and loving. I enjoyed working with her.
