“Dearest Kitty...My thoughts and prayers are with you and Dawn as you mourn the passing of your father; and with Mary, Joan and Sharon as they mourn the passing of their brother. I only knew Joe from when I was a child, but remember that he was so handsome, and, fun. And, he loved his family! I regret that I don't live closer; I would attend his services so I could hug each of you and reminisce about the REALLY good old days; our lives as they revolved around the Second Baptist Church. Such wonderful memories! I often wonder if the goodness of your grandmother, Ms. Ozzie, had an impact upon others as it did on me. I so, so often think of her; her patience, her devotion to Christ and her unfailing kindness. I thank her often in my prayers. May God bless and keep all of you. I send much love with my fond and cherished memories...
