“ *Toby was my Step dad
I truly remember him as a kindhearted man
He wrote on my memory card for my 50th birthday that I “ Should
have been, would have been and could have been my first born”
If things in life had turned out differently he could have been my dad
Guess God had other plans for us all
Surely miss him and think of him often
Prayers are with Robert*

*I can't tell you how much your post means to me. I've thought about
you several times, especially after the Thanksgiving explosion in Port
Neches. Dad died very peacefully, without a wheelchair or a nursing
home; an answer to both of our prayers. I'm not on social media, but
please contact me at rbjones2@verizon.net or 714-476-2806.*
