“ *I was so upset to here about Ms. Jo, she was at the funeral home when we were making arrangements for my mother Pearl Walker she died the same day at 3:00 p.m. I almost called Joe that Tues Morning to see who my mothers, mother was she died when my mom was 2 she never mentioned her, maybe if I had called I would have found out. They were cousins, and best friends therefore we grew up with you all. I sympathize with you all we are coping also. We love you all.*

“ Peggy, Michael, Paulette and the rest of the Jones family - I am saddened to hear about your Mother passing away. I haven't seen her in a number of years, but kept up with her and your family through Peggy. I went to school with Michael and Ricky and have known Mrs. Josepha for thirty years. She was always so kind to me. I lost my own dear Mother a couple of years ago, so I know what this is like for your family. May you find peace in knowing she is with her Lord now. Love, Toni, Gaare and Mimi

“ This morning I am remembering the many times I visited with Josepha sitting on the bench at Babington's Drug Store. Usually, she was there to get medicine for one of the children. She was a loving mother and a strong hard-working lady. We send our deepest sympathy in your loss. You are all in our prayers especially my classmate Nathan. May God comfort you as only he can.

“ Our thoughts and prayers are with you at this time of loss. I will always remember your mom when she would cut my hair. She had those thinning scissors and I just knew she was going to cut all my hair off. She was a fine lady and I know you will miss her.

“ *We extend our deepest sympathies to all the family at this time. I have known Josepha for at least 25 years. We spent many hours together at SELH,, she taught me how to crochet and I will always remember the patience she had with me during the "lessons". I know what a hard working person she was, and once you got to know her, and she you, she had one of kindest spirits I have known. That "tough" exterior was such a small part of who she really was. May God Bless you all, (esp. you Paulie, my friend) during this most difficult time I my sincere prayer.*
