“ *Jeremy, I am your second cousin Randy Mizell and I'm so saddened by the loss of your mom. I fondly remember my childhood days when we would go visit your grandparents and of course mom and the rest if the family. Your mom and I spent many hours playing , feeding the chickens, playing ball and getting crab apples behind the house. I had just recently found her on facebook and now she's gone. I will miss her dearly. Take care and may God's blessing be with you.*

“ *Jeremy and family, this has been such a shock. We have been friends since high school. I last talked to her the day before her birthday. I'm sorry I won't be able to come because of work but I will never forget her. I will keep you all in my prayers.*
