“ I just wanted to say that it broke my heart when I heard of Justin passing away. He was a great man that I always looked up to and held dear to my heart. It's been a few years since I last seen him but I will always remember him as the man with a bright smile, big hugs and a heart the size of Texas. All of you have been in my prayers. With love, Selena

“ *My dearest friends, I am saddened by the death of my buddy, Justin. Joan, do you remember the night Justin rode home with me after you and I were visiting Jackie? He and I laughed so much because he told me how to go home and the road was horrible. Justin will always be special to me and I know he is at peace now. We don't always understand why things happen as they do, but God never makes mistakes. Love to you and your family, Carolyn*

“ To The Kennedy Family, Mrs. Joan taught me in the 2nd grade and Justin & I grew up in school together. When I was managing Rite-Aid, Justin came to work for me there. It was always a pleasure to run into him. I told him several times that he was the happiest person I had ever known. God has called one of His 'Special Angels' to be home with him. Your Family is on our prayers.

“ Your family has always been near and dear to each of us throughout the years. We are so sorry for your loss, and we are keeping you all in our thoughts and prayers.

Psalm 23 A psalm of David. 1 The LORD is my shepherd, I shall not be in want. 2 He makes me lie down in green pastures, he leads me beside quiet waters, 3 he restores my soul. He guides me in paths of righteousness for his name's sake. 4 Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me. 5 You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. 6 Surely goodness and love will follow me all the days of my life, and I will dwell in the house of the LORD forever.
