

## Karen Sue Jones

November 8, 1959 - September 7, 2024

KAREN SUE JONES, AGE 69

And a resident of Franklinton passed away Saturday morning September 7, 2024. She was born in Bogalusa, alongside her twin sister, on November 8, 1954. Karen was a graduate of Enon High School Class of 1973, which coincidentally was the last ever graduating class of Enon High. She later had a nearly 30 year career as a seamstress at Rutter Rex in Franklinton and more recently worked in the Deli of the Shell station in Barker's Corner. Karen shared a special bond with her sister and they lived together on the family property their entire lives. She enjoyed quilting, reading and going to the movies. She also liked working in her flower garden, mowing her grass and taking good care of her yard. When she wasn't busy around their property, Karen enjoyed fishing and spending time with her family.

Survived by:
