“ May God provide the comfort and peace that only He can give in the presence of a loss so great as yours. I will always remember Katie at our wedding in 1978 calling out "Bob, Bob" as Brad and I were preparing to say our vows. I'm sure Robert Patridge was there to meet her when she crossed over. God is gracious and merciful ... His love is eternal ... His forgiveness ... all encompassing.
Blessings,

“ My first memory of Katie was when she was about two years old. After Bible study all the kids would play baseball in the field by Mr. Dale and Ms. Lynette's. I remember Katie would write everyone's name on their cups. I thought she was such a smart and pretty little girl. That impression never changed over the years, she grew into an intelligent and beautiful young lady! You will be missed by many!
