“ I am so sorry for your loss, especially at this time of the year. Turn to God to give you the strength you will need to make it through this difficult time; and turn to each other for the comfort that only someone who shares your feelings will be able to understand. Always remember the good times and keep those close to your hearts. If there is anything I can do, please give me a call. I hate I didn't get to make it to the wake, but I had kids and Ernie was working days.... You are all in my prayers!
