“ Just seeing this announcement and sorry I missed it. Kenny was always a guy with a warm smile and greeting. Knew him since around 1980 or so, and always liked him. Gonna be missed for sure.

“ Ken you will forever be in our hearts. Everyone loved you. You always set back and observed everyone and kept quiet. You never said anything that I know of to hurt anyone. You could make everyone happy by just sitting in the room with them. If you said anything it was always something kind and loving. You will be missed by so many people. I love you dearly and always will. Go rest high on that mountain. You deserve it
