Tribute Wall

“ Wayne was always courteous and kind. He helped us with our horses for many years. We have fond memories of fishing with him and Amy Jo and cooking what we caught. We are blessed to have known him and more enlightened by the stories he told. He always wore a smile and had a tidbit of knowledge to share. Another good man was called home to heaven and reunited with the love of his life. See you again one day, Collette and Darwin Sharp

“ Wayne was a good friend to many- a good man. Always helpful to those in need. Always enjoyed his coffee. Years ago he made my horse a special “ turn over” shoe after a tendon injury, and I recall winning Angola rodeo right after that. His patient demeanor was always a favorite trait of mine. May he Rest In Peace and May his family recall special moments he has shared with them. In loving memory.
