“ Dearest Brenda, Words can not express the sadness that I am feeling while writing this! Kenneth was one of my dearest friends at Bowling Green and even tho we didn't get to see one another often it was always like picking up where we left off in high school when we did see each other 🤔. You are both so special and my prayers are with you, Brenda, during this difficult time. I'm so sorry to have to miss the funeral services. I continue to remain in my bubble due to this COVID-19 virus. Hope to be able to see you soon. Take care Brenda and know that you are loved! 💕

“ This hurts my heart so much! Kenneth was such a dear friend to our family. He was the one to call and tell me that my dad, Harold, had passed away.

I have so many memories of Kenneth and my dad going to car shows or going to check out a new car for sell that neither of them needed. If my dad were ever absent there was a 90% chance he was with Kenneth.

Brenda, we send you so much love and send you strength that you can find some calm in this storm.

“ Brenda, I was saddened to hear of Kenneth's death. My mind went back to the many days I watched Ken and Steve Gentry passing my house looking sharp in their corvettes. Then, he found this pretty young lady and you became my neighbor. Time passes on, but he will not be forgotten. Love you!

“ Benda, I was so saddened to hear the news of Kenneth's passing. He was a wonderful friend to many and Brother in Christ. He was one of my first friends when I moved to Franklinton in the sixth grade, and was one of the kindest people I've ever known. Much love and my condolences from North Alabama.
