“ *In the early 80's, my boyfriend and I were renting a house that burned down. The owner was suppose to pay us for our belongings when he got the settlement. We heard he had got the money but we never heard from him. Not long after, Kerwin showed up at our front door. Come to find out he was part owner in that house and he knew that the other guy was not going to pay us the money for our belongings. Kerwin gave us \$1000 of his own money (Kerwin did not get any money for the contents) and apologized for the other guys' actions. I have always a held a very high regard for Kerwin for going out of his way to help someone he barely knew. That's just the kind of person Kerwin is. I regret not thanking him again even though we would run into one another occasionally. To the world: We Lost A Good One. To Theresa & family: I am so deeply sorry for your loss, ya'll are in my prayers and thoughts. May love and peace be with you.*

“ *It is my prayer that God will guide you through these very trying days with His love and grace. Kerwin was a great kid who grew up into a fine man. It was my joy to know the whole family as I pastored there in Thomas and spent many hours with Mrs. Mevoline playing music.*
